### **ABOUT THE COMPANY**

Charles Saunders Ltd have been established in Bristol for over 50 years and are one of the largest independent foodservice companies in the South West. We supply a full range of frozen, chilled and ambient foods, together with an extensive range of non-food catering products. We deliver to a variety of businesses including restaurants, pubs, hospitals, care homes and pretty much anywhere with a commercial kitchen.

### **ABOUT THE POSITION**

This position will suit someone who has a Full UK Driving License, is enthusiastic, has a flexible attitude and ideally has multi-drop delivery experience. Although applicants looking for their first driving job will be considered and training can be provided.

#### **Responsibilities will include but are not limited to:**

- Driving company vehicles to deliver food and disposable goods to customers in a safe and responsible manner
- Bulk picking items from the back of a van/lorry and carrying goods to point requested by the customer
- Collecting cash and/or cheques from customers for the goods delivered
- Recording temperature of the vehicles chiller and freezer ensuring temperatures are kept within the critical limits, reporting any issues to the Transport Management team
- Driving safely and in a manner to minimise wear and tear
- Returning run sheets and cash collections to the Accounts department
- On return to the depot take undelivered goods to the relevant area in the warehouse
- Completing relevant paperwork and returning it to the Transport department
- Ensuring your vehicle is kept clean and tidy inside and out
- Assisting warehouse personnel with vehicle loading where necessary
- To pass on any orders or messages from customers to a telesales operator and Transport management team.

### SKILLS & ATTRIBUTES:

Company Drivers will be expected to have the following skills / attributes:

- **Must hold a Full UK Driving License and have less than 6 points on your licence.**
- CPC Driver Qualification is desirable, the company can assist with training if required
- Previous knowledge of using a Digital Tachograph is desirable, the company can assist with training if required
- Must be able to demonstrate excellent driving skills in a variety of conditions, and must have knowledge of traffic laws and standard practices of courtesy on the road
- Must have a positive, proactive and enthusiastic personality and demonstrate an individual commitment to providing superior customer service on a consistent basis.
- Must be presentable to promote the company image in a positive manner and be comfortable dealing with customers face to face.
- Knowledge of manual handling techniques is required, you will need to be physically fit for this position as the job involves a lot of manual handling of heavy goods.
- Experience of Multi-Drop delivering is desirable
- Good level of numeracy and English literacy. You will be required to read and select orders from paper based sheets so it essential all applicants can read and write English.
- Must demonstrate excellent attention to detail and apply a high level of accuracy at all times.
